Insurance Discount

After completion, you will be eligible for up to a 10% discount on collision and liability premiums or the following motor vehicle insurance discounts each year for three years.

The three-year discount applies to premiums for all vehicles for which you are listed as the principal operator, including automobiles, recreational vehicles, trucks, and motorcycles.

Point/Insurance Reduction Program

Up to four (4) points will automatically be deducted from the total on your driver record if you have incurred violations during the 18-month period prior to completing DOC.

However, it will not cancel a mandatory suspension or revocation, such as three speeding convictions within 18 months, nor will it cancel any action already being taken against a motorist's driving privileges.
